138-9 Les Masques et les Visages dans les Bucoliques de Virgile, by Léon Herrmann, Les Belles Lettres, Paris n. d., appears to be identical except for cover and title page with Les Masques et les Visages dans les Bucoliques de Virgile, by Léon Herrmann, Éditions de la Revue de l'Université de Bruxelles, Brussels 1930, which was exhaustively reviewed at the time of publication by Marouzeau, Mustard, Tenney Frank, Reinach, Conway, Nicolau, Boulanger, Rostagni and others, and by Irene Nye in Books Abroad 6 (1932) 449.

In CW's review the year of publication was incorrectly stated as 1938 and the author's name was incorrectly given as Leon Hermann.

207 It differs . . . in the unusual emphasis (425 of 767 pages) upon the period of the Empire to A.D. 337, in the detailed attention (40 pages) given the development of Christianity . . .
